

Experience Level: Experienced

Job Title: Automotive Technician – Tier 3

Hours: Full-Time

Wage: Hourly \$29-\$32 per/hr DOE

Reports to: Vehicle Ops Manager

Job Description: DirtFish is seeking full-time, well-rounded technician to complement our current team. The ideal person will be able to shift seamlessly from the daily rally prep of our current Subaru fleet, to more complex projects such as engine builds, fleet vehicle diagnosis (Ford) and any Performance Shop customer requests needed without additional oversight. A proactive demeanor will be a requirement for our next addition as the focus for the vehicle ops department grows. The perfect candidate will be a self-starter with strong communication and teamwork skills. They will be driven, focused and have a high attention to detail. Passion for working on cars is a must.

Responsibilities include:

- Prep and maintain DirtFish fleet vehicles for program offerings
- Mechanical and electrical diagnosing of vehicle issues
- Fabrication/welding tasks as needed is a PLUS!
- Engine & drivetrain installation
- Comfortably perform work (interior & exterior dependent on asset) on tractors, buses (non-diesel), F-350's (diesel) and have an overall understanding of mechanics to diagnose and fix issues on generators and other small engine equipment
- Inventory management via check-out sheet with focus changing to fleet management software once implemented

Minimum Skills, Education and Other Requirements:

- Three plus years of active technician experience
- Must have tools required to maintain fleet vehicles and toolbox for storage
- 1-2 weekend days are required – dependent on program offerings (schedule published in advance)
- Driver's license with clean driving record for insurance purposes
- Position requires lifting, standing for extended periods of time, crouching, bending, heat and cold tolerance and overall hustle

Benefits: Benefits include medical, dental, vision, pet insurance, 401k, and life insurance, as well as paid time off and other DirtFish specific benefits such as free and discounted classes/and discounts with partners and/or sponsors of DirtFish.

About DirtFish: At DirtFish, we are a well-established business that loves Rallying! Don't know what that is? Check out www.Drive.DirtFish.com. If you are intrigued, consider applying. It is a great sport, and we are a growing business!

DirtFish is a casual environment where we thrive as a team, all while supporting each other across multiple roles to get the job done for our clients. Our team loves where we work. Team members can participate in an 'employees only' rally day where you can take a personal car out for a little sideways action. We have snacks and drinks on-hand, and even the occasional friendly sim racing competition in our gaming room. Employees get a yearly allowance for DirtFish swag and the ability to participate in DirtFish classes free of charge.

More Info: DirtFish was founded in 2010 as a rally driving school. It continues to fulfill its original mission as an organization to become the world's best rally school, having educated more than 14,000 driving enthusiasts on the skills required to drive a rally car – and control any vehicle on a loose surface – to date.

Headquartered just outside of Seattle, Washington, USA, in Snoqualmie, DirtFish has more than 300 acres of property to serve as its rally playground. In addition to the DirtFish Rally School and newly launched DirtFish Media platform, the DirtFish eco-system also includes much, much more.

DirtFish Motorsports is a two-time ARX2 championship-winning team. DirtFish Performance Shop specializes in rally vehicle builds and accessories. DirtFish Merchandise is your source for rally-inspired apparel. DirtFish Events is a global team supporting rallies and events worldwide, large to small. DirtFish Giving is a philanthropic platform dedicated to supporting the Seattle community.

About you: If you have read this far, you must be interested.

Vision Statement: ALL RALLYING. ONE SOURCE. DIRTFISH.

Mission Statement: To inspire, educate, promote, and expand the sport of rallying by engaging automotive enthusiasts globally.
