Job Title: Course Technician/Course Equipment Operator
Hours: PT or FT
Wage: $19-$33 DOE
Reports to: Course Operations Manager

Job Description: The Course Technician/Course Equipment Operator plays an integral part in keeping the school experience flowing smoothly and the driving experience consistent for our students and instructors. Responsibilities are as follows:

- Maintain course driving surfaces before, during, and after student classes to provide optimal driving conditions and preparation for the next day
- Monitor and remove obstacles on driving courses to minimize damage to school vehicles
- First responder point person for emergency situations during customer programs, including: bringing fire suppression equipment to small fires, bringing first aid kit to minor injuries, towing stranded program vehicles (all equipment supplied by DirtFish)
- Clean, prepare, and maintain appearance of grounds/facilities and Course Dept vehicles
- Occasionally transport customers to various locations during programs
- Assist with course and property work during non-class days
- Fill/operate/maintain Water Truck, and monitor course water use
- Assistance with new course development and building of new course roads
- Maintaining course drainage
- Support Instruction Department with course set up and safe operation of all driving programs

Skills, Education and Other Requirements:

- Friendly and hardworking, helpful and positive attitude
- Ability to work outside in the elements and varying weather conditions
- Driver's license required with clean driving record for insurance purposes
- Some interaction with customers should be expected; physical appearance should be professional and well kept
- Have knowledge of equipment, its proper operation, and basic repair skills

Physical Requirements:

- Must be able to sit/stand for long periods of time
- Must be able to lift and carry 50 pounds
- Must be able to stand, bend, squat, kneel, reach above shoulders, climb ladders, and walk on uneven ground

Benefits:
- After 60 days, medical, dental, vision and life insurance **(to employees working 32+ hours/week)** are offered, as well as paid time off and other DirtFish specific benefits such as free and discounted classes and discounts with current partners/sponsors of DirtFish.

About DirtFish: At DirtFish, we are a well-established business that loves Rallying! Don't know what that is? Check out www.DirtFish.com/. If you are intrigued, consider applying. It is a great sport and we are a growing business! DirtFish is a casual, dog friendly working environment where we thrive as a team, all while supporting each other across multiple roles to get the job done for our clients. Team members can participate in an 'employees only' rally day where you can take your personal car out for a little sideways action. We have drinks on-hand, and even the occasional friendly sim racing competition in our gaming room. Employees get a yearly allowance for DirtFish swag and the ability to participate in DirtFish classes free of charge.

More Info: DirtFish was founded in 2010 as a rally driving school. It continues to fulfill its original mission as an organization to become the world's best rally school, having educated more than 14,000 driving enthusiasts on the skills required to drive a rally car - to date. Headquartered in Snoqualmie, Washington, USA, DirtFish has more than 300 acres of property to serve as its rally playground. In addition to the DirtFish Rally School and DirtFish Media platform, the DirtFish eco-system also includes much, much more. DirtFish Motorsports is a two-time ARX2 championship-winning team. DirtFish Performance Shop specializes in rally vehicle builds and accessories. DirtFish Merchandise is your source for rally-inspired apparel. DirtFish Giving is a philanthropic platform dedicated to supporting the Seattle community.

Vision Statement: ALL RALLYING. ONE SOURCE. DIRTFISH.

Mission Statement: To inspire, educate, promote, and expand the sport of rallying by engaging automotive enthusiasts globally.
